

## Donation Request Form

To maximize the impact of The Carrot Seed's monetary and product donation contributions, we focus on four main criteria that align with our company's vision, "To enrich the kitchen and nourish the community". We only provide support to Brookings organizations and events that create momentum and positive improvement in the following areas:

- Food security and healthy food access
- Access to safe and affordable housing
- Food, gardening, agriculture, and sustainability education
- Empowering disadvantaged members of our community

If your organization and event goals fit within these guidelines, please fill out the below application and return to the Downtown Brookings store or email to [info@carrotseedkitchen.com](mailto:info@carrotseedkitchen.com). We review applications monthly and will respond to all requests by the 5<sup>th</sup> of each month.
